

# It pays to think ahead

An investment in energy efficiency benefits your bottom line. Planning energy upgrades into your business roadmap prepares you for future growth and savings.

## Energy upgrades also positively impact:

- ✓ Productivity
- ✓ Employee comfort
- ✓ Customer satisfaction
- ✓ Sustainability

**Énergie NB Power**

the power of possibility

Reduce your energy waste by making efficiency investments part of your annual budget. We can help with advice and rebates. [nbpower.com/thinkahead](http://nbpower.com/thinkahead)
